

INSPIRE

Ultimate Frisbee Tournament Fundraiser

SPONSORSHIP OPPORTUNITIES

BACKGROUND

Inspire and the Paideia Pythons are partnering once again for our annual fundraiser, the Inspire Ultimate Tournament Fundraiser. Inspire is an afterschool program for middle school refugees in Clarkston, GA. Paideia School's ultimate Frisbee team has been an amazing partner with Inspire, coming each week to teach and coach ultimate Frisbee as well as to tutor Inspire students. The Paideia student athletes fostered such enthusiasm in Inspire students for ultimate Frisbee that the tournament was born. The tournament will offer an exciting full day of games for middle school, high school, and adult divisions.

PAST SPONSORS INCLUDE

As well as The Corner Cup Coffee, Brockett Pub, Banjo Coffee, Avondale Pizza Café, Mobley Tire and Auto, Savage Pizza, Good Karma Coffee, Intown Ace Hardware, and Refuge Coffee.

Raffle Items

Your logo will be displayed on the raffle table. If giving a gift card, you will get a potential new customer in your door when the winner comes to use it! If the monetary value of your contribution reaches one of the sponsorship levels listed above, the benefits corresponding with that level will also be yours.

In-Kind Donations

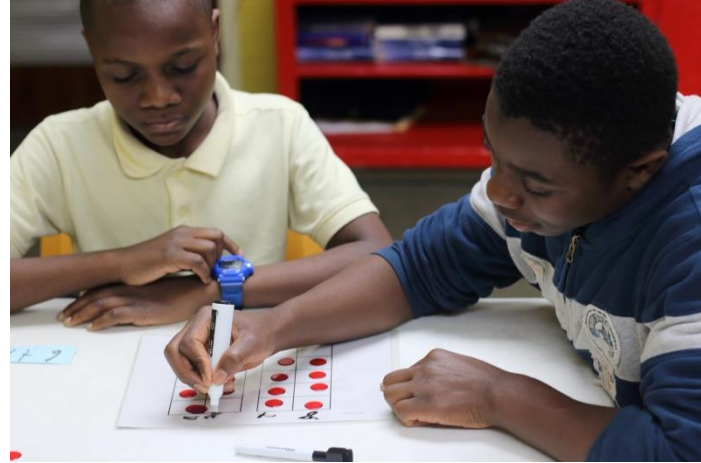

Your logo will be displayed at the location of your items. If the monetary value of your contribution reaches one of the sponsorship levels listed above, the benefits corresponding with that level will also be yours.

ABOUT INSPIRE

THE NEED

Inspire: A Shalom Afterschool Initiative, is a direct response to the needs of refugee and immigrant youth in the Clarkston community. Many refugee and immigrant youth in Clarkston have experienced little or interrupted formal education. As English Language Learners, they face the challenge of adjusting to middle school while also navigating a new educational system, a new language, and a new cultural context. Inspire responds to these young people's needs, knowing that:

- without a safe, constructive place to spend their afternoons, they waste their time in front of screens or wander the streets;
- without help in understanding the language and academic content of their classes, they remain grade levels behind in school
- without positive relationships across cultural and language groups, conflict in this diverse community is rife
- without confidence, a sense of self, and a sense of belonging, they lack the hope that can spur them on to greater things

OUR VISION

At Inspire we seek Shalom by contributing to the holistic development of the middle school youth in our community. By providing homework assistance, learning activities to build basic reading and math skills, and opportunities for creative expression and physical health, we help students grow as critical thinkers, self-confident young adults, excited learners, and socially responsible community members. We also work to empower family members to become engaged in their student's academic success through regular home visits.
